Project Next Generation (PNG)
Summer 2014 Sign Up Sheet **DATE: ___ / ___ / 14**

Learn, Create, Have Fun!

Project Next Generation is FREE and is for 5th-8th grade students. Sign up for one session or all five. We have loads of activities planned. Participants will be using laptops, ipads, cameras and more. No skills required. To sign up, return the attached form to the library or simply email Wendy Schoof (wschoof@carbondale.lib.il.us).
We'll save your child a spot!

All Classes are Mondays and Tuesdays
10:00 – 11:30am, June 16 – August 5

Below are the topics we will be using for this summer. There are always extra activities, snacks and surprises.
Join us for some great fun at the library!

#1 DIGITAL IMAGING PROJECT:
June 16, 17, 23, 24
(2 weeks)
Create cool and unusual stuff using photos. Bring photos from home or take them at the library.

#2 VIDEO GAME MADNESS:
June 30, July 1
(1 week)
Minecraft, Smash Bros, Mario Kart and more. Come and play even if you don't like video games!

#3 WORMS:
July 7, 8, 14, 15
(2 weeks)
Special Guest: Michelle Bisel from the University of Illinois Extension Office. Ever wonder what a worm does all day? Come explore the interesting purpose and impact a worm has on our world through fun hands on science experiment! Come learn about the small things we can do to have a BIG impact to protect our environment.

#4 SIU TRIP - 3D PRINTING AND DRONE DEMONSTRATION AT SIU:
July 21, 22
(1 week)
See some really neat technology at SIU. This is a week not to miss!

#5 ALL THINGS VIDEO:
July 28, 29, August 4, 5
(2 weeks)
Learn how to make a video and use editing software. See how to interview and get a chance to be a star!

PLEASE DETACH AND KEEP THIS SHEET FOR YOU RECORDS

* Funding for this grant was awarded by the Illinois State Library, a Department of the Office of Secretary of State, using funds provided by the U.S. Institute of Museum and Library Services, under the provisions of the Library Services and Technology Act (LSTA).

How did you hear about PNG?_____

Use of Internet

Throughout the program, participants will have supervised access to the Internet.

I understand my child will use the Internet and that PNG and the Carbondale Public Library do not control the content of the Internet.

Parent Signature **X** _____

Student Signature **X** _____

Photo and Project Release

The Carbondale Public Library and PNG will occasionally wish to use photographs of the class or use projects created by the students for the purpose of documenting and promoting the PNG Program.

I understand that my child's photograph or project may be used for promoting PNG.

Parent Signature **X** _____

Student Signature **X** _____

Field Trip To SIU

July 21 & 22, participants will be going to SIU. Each workshop will begin and end at the library.

I give permission to the coordinator of PNG to transport my child from the library to the location of the fieldtrip and then return to the library.

Parent Signature **X** _____
